Kitchen Innovation Award 2010 for Function 4

Design NOA

- The Kitchen Innovation Award is granted each year by the independent LifeCare Initiative under the patronage of the German Federal Ministry of Nutrition, Agriculture and Consumer Protection.
- The LifeCare Initiative intends to promote Quality, Functionality and Innovation of products and thus to noticeably increase the quality of life.
- The annual awarding of the consumer prize "Kitchen Innovation of the Year" aims at highlighting particularly consumer-friendly products and thus at specifically assisting the consumers in making buying decisions.
- The Kitchen Innovation across all categories and thus the absolute Test Winner of the Year 2010 is **Function 4**
- In a two-stage selection process, it was finally consumers who have declared Function 4 to be the winner by means of a representative online vote staged by a market research institute!
